EXCITING NEWS!

We have the opportunity to meet internationally renowned artist and author Lissi Kaplan!

For those of you who read my blog, you've seen Lissi's artistry on the hand painted

For those of you who read my blog, you've seen Lissi's artistry on the hand painted porcelain tea services she creates for the Peninsula and Montage Hotels in Beverly Hills. I treasure the pieces of Lissi's porcelain that I have along with her precious first book 'THE POWER OF A TEACUP: A Story of Art, Love, and Sacred Gardens. Lissi is truly a universal woman who along with her oeuvre and many artistic gifts also studied voice as an opera singer.

Life is a journey and Lissi's has been richer, fuller and yet deeper than most and all of these life experiences have been brought together to create her newest book, 'LIGHT as a FEATHER'. This precious little book will take you by surprise, stirring a depth of love buried deep in your heart. In this coming-of-age fable, a fledgling wren seeks the meaning and purpose of his song with help from his spirit guides: Lady Dry Feather and Tender Wing, who teach Little Feather about courage, care, and sharing; Little Sweet Feather, his soul mate; and Ancient Lady—an ancestor tree wherein dwells Wise Wing, who shows Little Feather how to look deep inside and find the special message all birds are meant to carry.

Lissi Kaplan taps into soul searching questions with a pure, childlike simplicity that belies the deep truths she so tenderly expresses. Her ethereal illustrations enhance the lyric poetry of her words.

Although it's written as a child's fable, it shares a depth of meaning with 'Suma the Elephant' and transcends childhood to resonate deeply with adults. This is a treasure you'll want to share with all those you hold dear.

To celebrate this precious book there will be a **talk and book signing by Lissi in the Nan Rae Studio on Saturday October 8th at 2:00 PM**. As we did with the Lisa See's event, the \$26.95 book will be pre-paid by each guest and there will be a small

charge for refreshments.

There is also an amazing opportunity to own this **limited edition original hand painted 4" wide porcelain creation by Lissi Kaplan** in celebration of "Light as a Feather" for only \$65. This piece may be pre-ordered and personalized with an inscription on the back in gold before the signing.

What a perfect gift!

To see more of Lissi Kaplan's artistry visit lissikaplan.com and let us know if you wish to have Lissi create a little treasure just for you or a loved one. She will inscribe the desired name on the back in gold.
